Fusion's Epopej
A Gastropub With A Big Name!

MORE ABOUT THIS OFFER

At Fusion, Prague's coolest new hotel, people sleep with each other. OK, it's not entirely what you're thinking. They have dorm-style rooms that sleep up to 12. Then again, maybe it is what you're thinking—there's also a room with a bed that holds 2-6 people! One thing is certain, with all of these unique sleep options, the hotel is bound to draw an interesting crowd—and here's your chance to "mix" with them!

You and a friend can soak up the "cheap-chic" or "budget-boutique" atmosphere of the hotel while EACH mixing up your own 4 creative cocktails and nibbling on 4 snazzy snacks at the 360° Bar—which makes a full revolution every 20 minutes! But that's not all that will be spinning—bottles, ice and bubbles will be whirling about as you choose your drinks and the bartender provides you all you need to mix 'em up yourself! Get things shaking with a Cosmopolitan or Martini; make muddled magic with the Fusionito featuring Bacardi Black, Bombay Sapphire, soda, basil leaves, lemon and cane sugar ... or stir up some romance with a Fusion Passion featuring Finlandia Vodka, Cointreau, lemon, cane sugar & maracuja (don't worry, the bartender will tell you what it is)!

And don't worry, you'll have plenty of noshes to accompany your tipping because you'll also get a generous snack platter filled with prawns in tempura batter served with a Sriracha chilli sauce as well as grissini sticks wrapped in Serrano ham. It's a true fusion of food and fun!

BET YOU DIDN'T KNOW

When you're done with your nibbles and sips, you may want something more substantial. Lucky for you, just next door you'll find Fusion's signature restaurant, Epopej.

Epopej is a gastro pub whose goal is to offer quality Czech food. The owners wanted a name that would mean something to the locals: "epopej" means epic in Czech. And that's how they want you to remember the place—epic food; epic atmosphere; epic experience! The chefs hope to recreate memories of sitting around your kitchen at home, surrounded by friends, family and the delicious smells of home cooking. Here, you can experience traditional Czech food with an international twist. Changing daily specials, including fish, meat, pasta and salads, as well as Czech cuisine all are comprised of fresh, seasonal ingredients.

Back to the name. The Slovanska Epopej (Slav Epic) is a collection of 20 large paintings depicting Slav history by Alfons Mucha, whose museum is located next door to Fusion Hotel. Drinks, food & art—it's a true fusion!
