**PERSONAL, REVEALING
STORIES FROM CELEBRITIES**

**Joel Osteen,
Kristen Chenoweth,
Reba McEntire
and More!**

Did you know that actress Kristin Chenoweth has a magnet on her refrigerator that says: “Good morning, this is God. You don’t need to worry about all your problems. I will be handling them today.”? Or that Reba McEntire traces her singing career back to first grade when she sang “Away in a Manger” for the school Christmas Program? In *Guideposts* you’ll find insights into celebrity lives you can’t find anywhere else. Because when today’s biggest stars talk to *Guideposts*, they reveal deeply personal stories meant for real readers, not Hollywood’s cameras.

ANIMALS AND HEALING

A Boy, A Dog and a Miracle

In *Guideposts*, you not only meet extraordinary people, you’ll meet amazing animals and find out how they can dramatically impact our lives. Like Chancer, the golden retriever that was trained to improve the life of a young boy with fetal alcohol syndrome. Or Mumbah, the gorilla that brought peace and centeredness to a young autistic boy’s life. Or Tootsie, the care-giving cat that helped a man recover from a car accident.

MYSTERIOUS WAYS

Silver Dollars From Heaven!

How could a mother who’d passed on give five silver dollars to her daughter on her anniversary? How did an ATM machine keep a man from getting crushed in his car? You’ll find out the answers to questions like these every month in *Guideposts* thanks to our regular feature called Mysterious Ways!

THE POWER OF PRAYER

**Marathon:
A Prayer Every Mile**

Prayer. An Indiana woman said one at each mile of a marathon—and the words carried her across the finish line. A Florida woman shared a story with a stranger on a plane ride that led to an inflight prayer circle with miraculous results. Read a new story of the transformative power of prayer every month!
