Attention Variable Extra Extra Long Name, your 3 week FREE Preview has been confirmed. DO NOT DELAY!

Dear Variable Extra Extra Long Name,

It's clear that you love the best things in life. You demonstrated that by your prompt payment for *People* -- simply the best magazine there is when it comes to shining the spotlight on the individuals who shape today's popular culture. We sincerely thank you for your prompt payment. To show our appreciation, we'd like to offer you more of the best -- in the form of our collector's edition book entitled *STYLES OF THE STARS*.

This one-of-a-kind book is filled with the most stunning, elegant, outrageous, head-turning fashions of the past century and the people who made them memorable. And best of all, it's yours to preview for 3 full weeks -- **FREE!**

You'll walk down the runway with Cindy Crawford and up the aisle with a soon-to-be-princess Grace Kelly.

You'll eavesdrop on super-celeb's little known ideas on fashion like Coco Chanel who once said, "Fashion goes out of fashion. Style never does."

You'll hear the stars rave over their favorite designers. And read designer's opinions on the celebrities who breathed life into their creations.

You'll enter the world of "wild wear" with David Bowie, Boy George, Phyllis Diller, Dennis Rodman and Liberace.

You'll meet men in white like Travolta and Cab Calloway...sizzling hot redheads like Rita Hayworth and Ann-Margret...and beautiful blondes like Michelle Pfeiffer, Veronica Lake and Catherine Deneuve. You'll be there as they step out of their limos at the Oscars, tag along as they attend glamorous weddings, and enjoy peaceful reflective moments with them at home. You'll spend time with over 50 fabulous fashion plates in all -- **FREE TO PREVIEW FOR THREE WEEKS!**

LET THE FASHION SHOW BEGIN!

Paging through *STYLES OF THE STARS* will be like enjoying your own private in-home fashion show -- only better. Because instead of just viewing the clothes, you'll get to know the personalities that truly defined the greatest styles of all time. You'll hear the rich and famous describe their insecurities, triumphs, and the pure enjoyment of "dressing up". And, with our special "Thank You" Offer, you can enjoy all this insight -- over 140 pages of vivid photos and revealing writing -- at no charge whatsoever for three weeks.

For your chance to preview this hardcover collector's edition book in your home **FREE** for **21 days**, simply peel off the red sticker on the front of this letter, affix it in the space provided on your Free Preview R.S.V.P. form, and mail it back in the postage-paid envelope today. When your personal copy of *STYLES OF THE STARS* arrives, you'll have 21 days to preview it. If you decide to keep it, you'll owe just 4 installments of \$4.99 plus shipping and handling. If you're not absolutely delighted, simply return it within 21 days and owe nothing. No strings. No commitment. No kidding.

PREVIEW PRIVILEGES: If you decide to keep *STYLES OF THE STARS*, you will join the many thousands of satisfied customers who enjoy free previews of each new book in the *People* library of great reading. You will receive advance announcements of future books in the series as they are published on a periodic basis. No more than three titles are published in a year. If you wish to preview additional books **FREE** for 21 days, do nothing -- the book will be sent to you automatically. If you don't wish to receive it, just write "no" on the announcement card and return it within 21 days. You always have the full 21 days to decide and let us know.

If you wish to add the next edition to your library, we'll bill you later for the book, plus a shipping and handling fee. You may cancel at any time, and there is never any obligation to buy.

Please see the enclosed flyer for even more information about this unbeatable no-risk offer. And remember, whatever your decision is today, you have our deepest gratitude for becoming a *People* subscriber and for settling your invoice in such a prompt manner. Thank you!
